WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

10 COINLAB INC,

CASE NO. C13-777-MJP

11 Plaintiff,

ORDER EXTENDING TRO AND
ORDER TO SHOW CAUSE

12 v.

13 MT GOX KK,

14 Defendant.

15
16 This matter comes before the Court on Plaintiff Coinlab Inc.’s motion to extend the July

17 22, 2014 Temporary Restraining Order (“TRO”) for an additional 14 days and to lift the

18 previously ordered stay for the limited purpose of seeking a default judgment against Defendant

19 Tibanne KK (“Tibanne”). Having reviewed the motion and all related papers, the Court

20 GRANTS the motion as to extending the TRO for 14 additional days from this Order, finding it

21 is supported by good cause. The Court ABSTAINS from ruling on the motion to lift the stay.

22 (Dkt. No. 74.) Instead, Defendant Tibanne is ORDERED to SHOW CAUSE why the stay

23 should not be lifted and sanctions imposed for Tibanne’s failure to timely obtain new counsel.

1 An in person hearing on the ORDER to SHOW CAUSE is scheduled for Tuesday, August 12,
2 2014 at 9:30 AM in Courtroom 14206 before Judge Marsha J. Pechman.

3 The clerk is ordered to provide copies of this order to all counsel.

4 Dated this 5th day of August, 2014.
